

ORANGE COUNTY ELECTRICAL TRAINING INSTITUTE

JW Detailing/ Bluebeam Class

Subject: JW Detailing/Bluebeam Class

Instructor: Jason McCord

Goal: The goals of this class are to introduce or enhance your knowledge in the Building Information Modeling (BIM). BIM has been used successfully for years in the vertical building industry. Improved design accuracy, early identification of constructability issues, better visualization, and eventual asset management capabilities are all expected benefits of this course.

Hours: 4:00pm – 8:00pm
Length: 16 Hours
Schedule: Tuesday and Thursday Night's (4 Nights)

Course Requirements:

The requirements are that you will need to have access to a newer windows computer and internet access. You will need to know how to do basic computer skills like email and downloading and using the Bluebeam program.

Course Dates:

<u>Start</u>	<u>End</u>
TBD	TBD
